

Item description/product images

for electrics

Description

Note:

Hand switch to operate the control 85300-10-90 and adjust lifting columns 85300. Lifting columns 85300 are operated intuitively using the hand switch with display (85300-15-1). Intermediate positions can also be stored and switched between different users.

The hand switches can be fixed to a table using hand switch drawer 85300-15-91.

Accessory:

Hand switch drawer 85300-15-91
