

Item description/product images

Description

Material:

Housing and actuator die-cast zinc. Nut zinc.

Version:

Housing and actuator chrome-plated. Nut bright.

Note:

Lockable quarter-turn lock for right or left mounting with 90° closing. The quarter-turn lock can be installed pre-assembled.

The fastening nut has claws one side allowing it to be used as an earthing nut. With stainless steel cylinder cap and dust cover.

These lockable quarter-turn locks are each delivered with 2 keys. The key can be removed in both positions (open and closed). The locks have a single key system, i.e. they can all be opened using the same key (cylinder lock 1333).

Please order required tongue version separately. Every tongue can be combined with every housing.

*Dimension A results from the combination of the quarter turn lock and the tongue and is specified with the matching tongues.

Accessory:

Tonge steel, with stop 05564-15. Key for quarter-turn lock 05586.
