

## Item description/product images

## Description

**Material:**  
PVC.

**Version:**  
Black.

**Note:**  
The edge protection profiles are used to cover and decorate the sharp edges of cut plate so that no additional processing is required.

**Assembly:**  
Easy, quick and smooth assembly. The edge protection profile is easy to push on by hand, and remains in place even on radii or bends. No adhesive or fastening material required.

**On request:**  
Other lengths.

Minimum bend radius:
