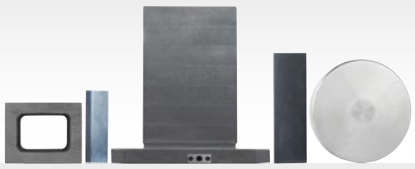
positions.

FLEXIBLE STANDARD PART SYSTEM



01000

Plates
Circular plates
Profiles
Angle plates
Tombstone cubes

02000

Self-aligning pads
Support elements
Rest pads and
Positioning feet

03000

Spring plungers
Indexing plungers
Stops
Ball lock pins
Centring and
Positioning elements
Locking pins
T-slot nuts

04000

Clamp straps
Cam clamps
Clamping devices
Swing clamps
Clamping hooks
Clamping cams

05000

Toggle clamps
Pneumatic clamps
Quarter-turn locks
Latches
Accessories for clamps

06000

Grips, handles and knobs
Handwheels and
crank handles
Clamping and
tension levers
Clamping joints
Pull handles
Tubular handles
Recessed handles

07000

Connecting elements
Ball-end thrust screws
Baseplates
Ring bolts
Grub screws and
pressure pads
Torque bolts and
threaded inserts
Hoist rings / Swivel bales

08000

Drilling jigs
Drill bushes

09000

Magnets

assembles.

ASSEMBLY SYSTEM

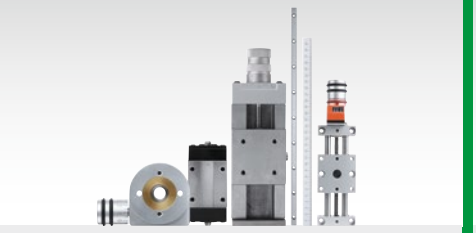
10000

Aluminium profiles
Connectors
Covers
Special elements

norelem
moves.

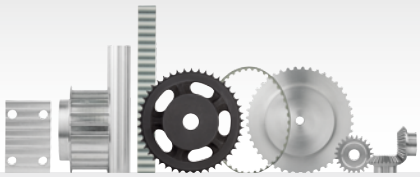
SYSTEMS AND COMPONENTS FOR MACHINE AND PLANT CONSTRUCTION

Product group 20000 is available at www.norelem.com



21000

- Slides
- Guide rails
- Positioning tables
- Scales
- Linear guide systems
- Position indicators
- Level vials

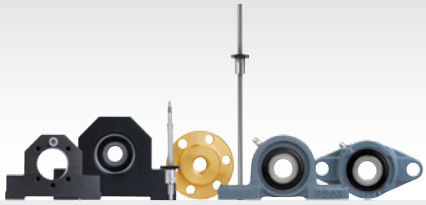


22000

- Chains and sprockets
- Timing belts and toothed belt pulleys
- Gears and gear racks
- Worm screws and worm wheels
- Transmission

23000

- Couplings
- Shrink discs
- Keyless locking couplings
- Cardan joints
- Bearings
- Seals



24000

- Trapezoidal thread spindles
- Ball screw linear actuators
- Pillow block bearings

26000

- Springs
- Elastomer springs
- Rubber buffers
- Shock absorbers
- Profile dampers
- Gas springs

27000

- Clevis / Angle joints
- Rod ends
- Brackets
- Levelling sets
- Machine / Levelling feet
- Hinges

28000

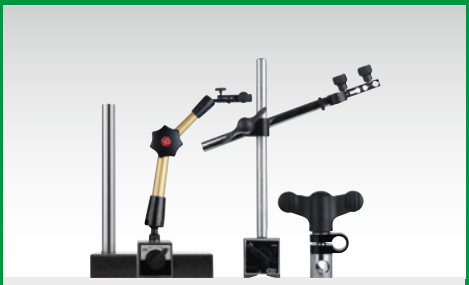
- Oil level gauges
- Caps
- Plugs
- Vent screws
- Dipsticks
- Filler necks

29000

- Tubular connection system
- Column system
- Monitor brackets

norelem
measures.

ELEMENTS TO MEASURE AND TEST



31000

Inspection tables
Gauge stands
Joints

32000

Concentricity gauges
Dial gauges
Universal measuring fixtures

33000

Standard inspection and test fixture elements

norelem clamps.

CLAMPING TECHNOLOGY

41000
Vices
Accessories

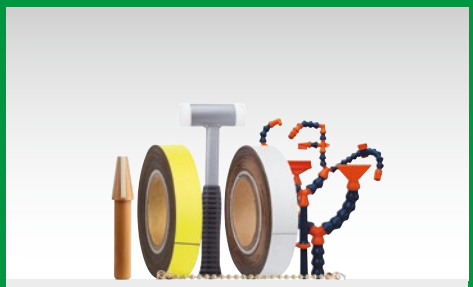
norelem trans-ports.

MATERIAL HANDLING AND TRANSPORT

95000
Wheels and rollers
Ball transfer units
Small conveyor belts

norelem
techno
shop.

NORELEM TECHNOSHOP



96000

LOC-LINE®
Magnetic labelling elements

Tools
Transport protection

97000

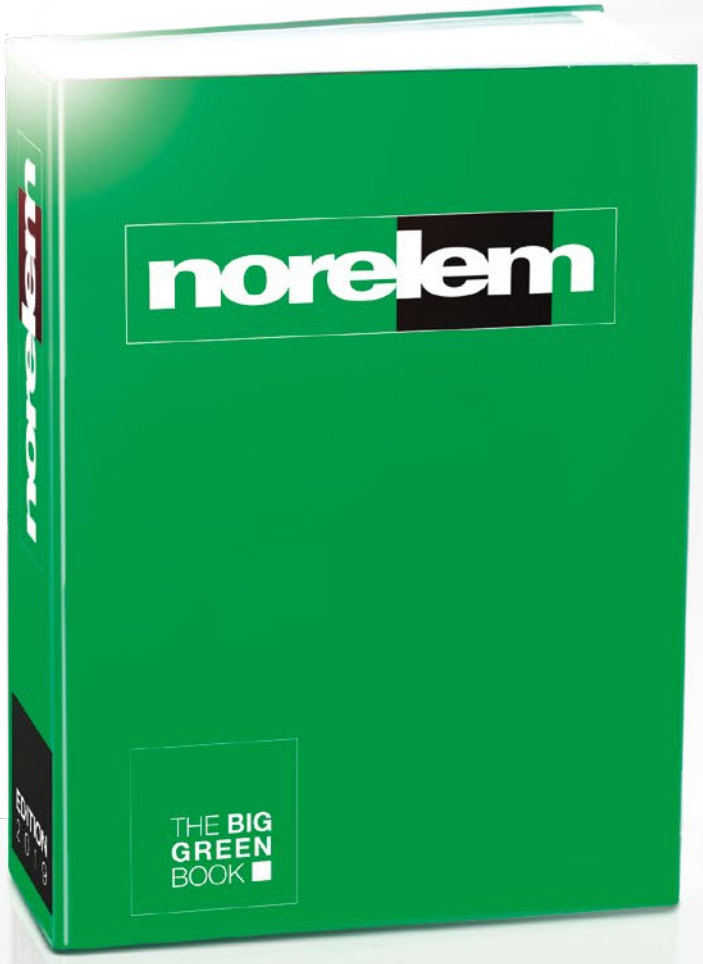
Lubricants
LOCTITE®
Grease nipples

cad data: everything at a click.

WWW or APP

CAD data for all norelem components can be found in various file formats at www.norelem.com - now you have the entirety of standard elements at your fingertips. Accordingly, all technical and geometric data can be smoothly integrated into your system allowing you to concentrate solely on construction.

THE BIG GREEN BOOK 2019



over 43,000 standard parts for all your ideas.

Order your free catalogue at www.norelem.com. With more than 1,900 pages, our catalogue contains all the standard parts you need to turn your ideas into reality:

- We can supply more than 43,000 top quality standard parts and machine components.
- We are constantly expanding our product range.
- We guarantee reliable and quick delivery.
- This concise reference book is orientated on your design steps.
