

Item description/product images

Description

Material:

Aluminium.

Version:

Black anodised

Note:

Rigid design aluminium linear scales with self-adhesive back or with screw holes.
Cross section 15 x 2 mm.

Black anodised surface and high contrast graduations for legibility without shading.
The graduations are deep lasered.

On request:

- Zero mark lower right or centre
- Graduations upper right or both sides
- Other lengths
