

Item description/product images

Description

Material:
Aluminium.

Version:
Black anodised

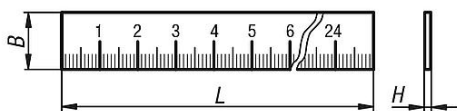

Note:
Rigid design aluminium linear scales with self-adhesive back or with screw holes.
Cross section 15 x 2 mm.

Black anodised surface and high contrast graduations for legibility without shading.
The graduations are deep lasered.

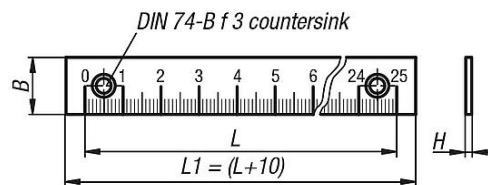

- On request:**
- Zero mark lower right or centre
 - Graduations upper right or both sides
 - Other lengths
