

Item description/product images

Description

Material:

Steel.

Version:

Grade 8.

Plastic-coated.

Note:

Round sling hooks for quick suspension of textile lifting equipment such as hoist belts or round slings. The round sling hook is fitted with a robust, forged safety latch. All edges are rounded to protect the textile slings.

The colour of the round sling hook corresponds to the colour code assigned to textile lifting equipment that signifies the permissible loads.

The round sling hooks correspond to the Machinery Directive and are BG certified (H stamp).

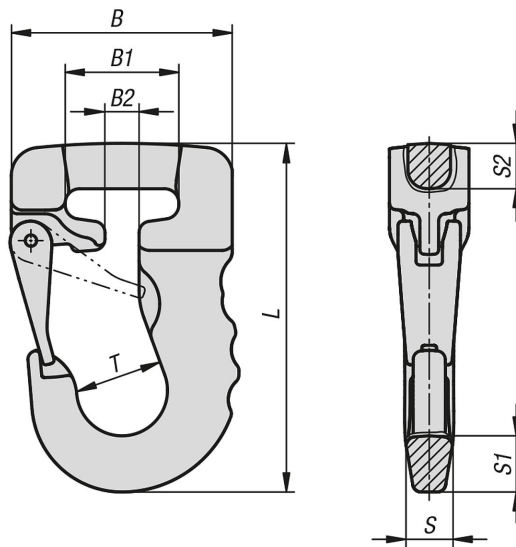

Temperature range:

From -40°C to 200°C = 100% permissible load

Up to 300°C = 90% permissible load

Up to 400°C = 75% permissible load
