

## Item description/product images

## Description

**Material:**

Tailstock aluminium.  
Centres steel.

**Version:**

Tailstock hard-coated.  
Centres nitro-carburised.

**Note:**

The tailstock consists of two halves with a fixed and a movable centre. The movable centre is spring-loaded and can be locked. The centres can be exchanged as required (centres for tailstocks 34024-01).

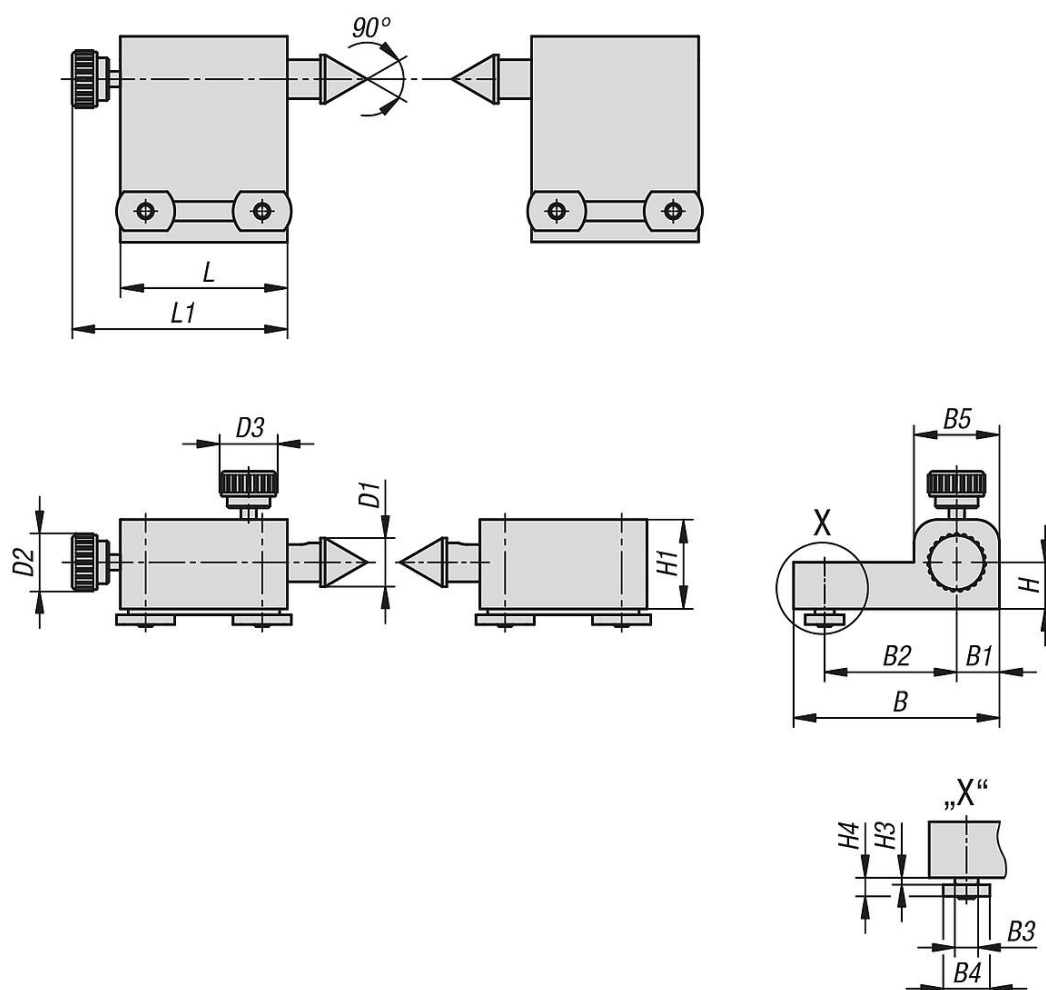

Suitable for the T-slots on the quick-change pallet system 34022

D min. and D max. refer to the workpiece being measured.

**Accessory:**

Centres 34024-01.  
Quick-change pallet system 34022.
