

Item description/product images

Description

Material:
Polyethylene (PE-LLD).

Version:
red, green, yellow or black.

Note:
Suitable for all DIN 71412 conical head grease nipples. They keep dirt out of the head of the nipple. The different colours are for e.g. identifying the lubrication intervals.

Application temperature: -70°C to +85°C.

Form A: without tab
Form B: with tab
