

Item description/product images

Description

Material:

Main component polypropylene (PP).
Soft components thermoplastic elastomer.
Tapped bushes brass.

Version:

Main component black.
Soft components black, orange, yellow, red, green, blue, grey.
Tapped bushes electro zinc-plated.

Note:

Excellent carrying and gripping comfort thanks to its soft inner surface.

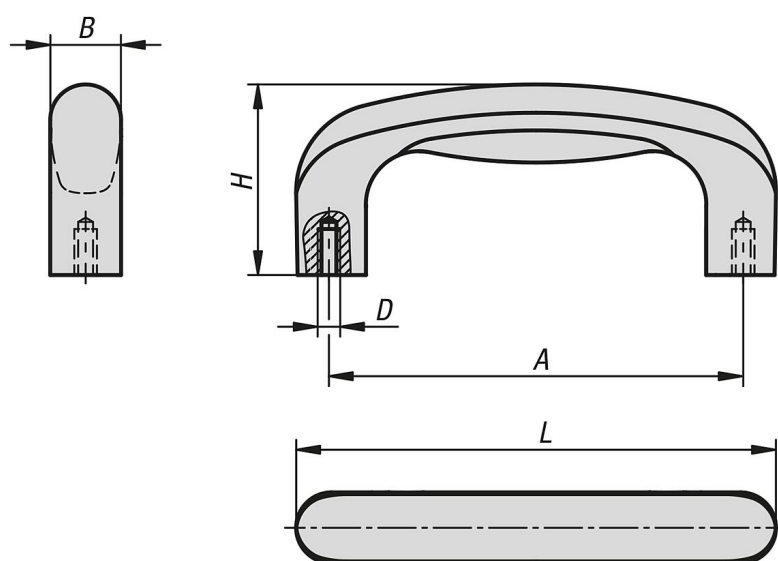

Assembly:

From the rear.

On request:

Main components grey with other colour combinations.
