

## Item description/product images

19"

## Description

**Material:**

Die-cast aluminium.

**Version:**

Tray and handle black or light grey powder-coated, semi-matt.

**Note:**

With their modern design recessed fold-down handles can be used wherever solid and attractive handles are required.

Handles Form A snap into both resting and working positions.

Handles Form B swivel back into the resting position automatically after use.

**Assembly:**

The fold-down recessed handles can be installed from the front or rear of the housing panel with the same housing cutout.

**Drawing reference:**

1) for countersunk screws M4
