

## Item description/product images

## Description

**Material:**

Polyamide fibreglass reinforced.

**Version:**

black.

**Note:**

For fastening sensors and limit switches to aluminium profiles or panel elements.

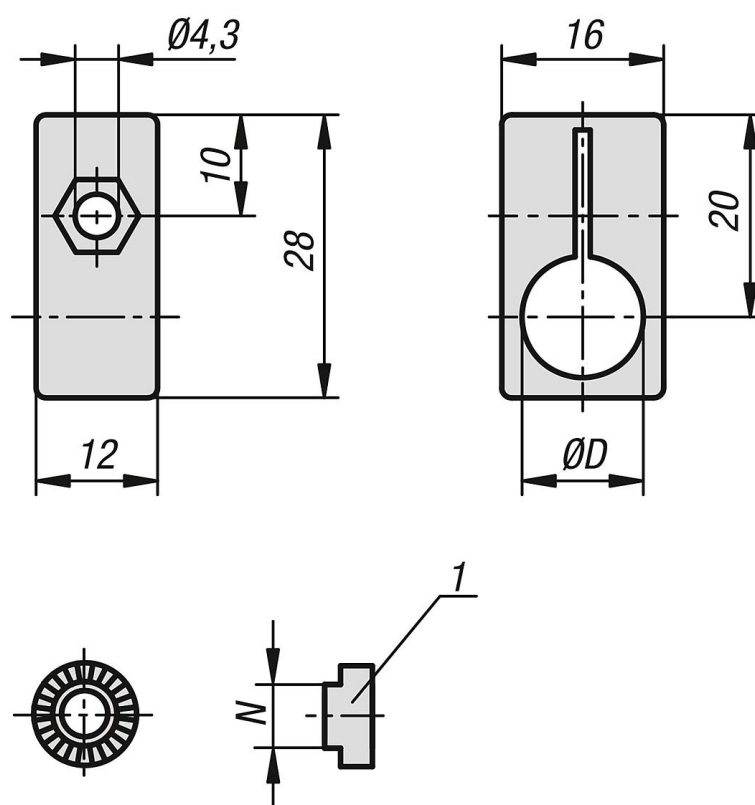

Fastening pieces are available for various aluminium profile slot sizes. The fastening piece provides a positive rotation lock and can be adjusted in 15 increments. With no fastening piece the sensor holder can be infinitely adjusted in the angle.

**Drawing reference:**

1) Fastening piece
